

Anti Fingerprint Stainless Steel Coil Roll For Laser Cutting

Our Product Introduction

For more products please visit us on metalsstainless-steel.com

Basic Information

- Place of Origin: China
- Brand Name: Sheng Quan
- Certification: ISO9001:2000
- Model Number: 201/304/304L/316/316L/321/309/310
- Minimum Order Quantity: 1ton
- Price: USD1500-USD6000
- Packaging Details: Standard Export Sea-Worthy Packing
- Delivery Time: 5-15days
- Payment Terms: L/C, T/T, Western Union
- Supply Ability: 15000Tons

Product Specification

- Hardness: Soft, 1/4 Hard, 1/2 Hard, 3/4 Hard, Full Hard
- Processing Service: Bending, Decoiling, Punching, Cutting
- Payment Term: 30%T/T Advance + 70% Balance
- Packing: Standard Export Packing Or As Required
- Coil Weight: Customer Requirements
- Quality: High Quality Inspection
- Keyword: Hot Rolled Stainless Steel Coil
- Length: Customized
- Highlight: **Anti Fingerprint Stainless Steel Coil Roll,
Laser Cutting Stainless Steel Coil,
Laser Cutting Stainless Steel Coil Roll**

Product Description

Product Description:

Our Coil is made from premium-grade stainless steel, ensuring long-lasting durability and resistance to corrosion. It is available in a range of thicknesses and sizes to suit any application, from industrial to residential.

With our Processing Services, including Bending, Decoiling, Punching, and Cutting, we can customize your Stainless Steel Coil to meet your exact specifications. Whether you need a certain weight, rolling width, or standard, we can accommodate your needs.

Our Stainless Steel Coil is available in a variety of grades, including 316 Stainless Steel Coil and 410 Stainless Steel Coil. It is also compliant with industry standards, such as ASTM, AISI, JIS, and DIN, ensuring that our Coil meets the highest quality standards.

One of the key benefits of our Stainless Steel Coil is its good ductility for molding products. This means that it is easy to shape and mold into a variety of forms, making it ideal for use in a range of applications.

So if you're looking for a reliable, high-quality Stainless Steel Sheet Coil, look no further than our Cold Rolled Stainless Steel Coil.

Contact us today to learn more about our Coil and how we can customize it to meet your specific needs.

Features:

Product Name: Stainless Steel Sheet Coil

Processing Service: Bending, Decoiling, Punching, Cutting

Coil Weight: Customer Requirements

Keyword: Hot Rolled Stainless Steel Coil

Processing: Cold Rolled/Hot Rolled

Standard: ASTM, AISI, JIS, DIN

Cold Rolled Stainless Steel coil

301 Stainless Steel Coil

316 Stainless Steel Coil

Applications:

The product is perfect for use in a wide range of scenarios. It is ideal for use in the construction industry for making roofs, walls, and other structures. The product's durability and strength make it perfect for use in high-traffic areas such as parking lots, pedestrian walkways, and industrial floors. The product is also used for making kitchen appliances, sinks, and other household items. Additionally, the product is perfect for use in the automotive industry for making car parts such as exhaust systems.

The Sheng Quan Stainless Steel Sheet Coil is available in different lengths, and customers can customize the length according to their needs. The product can be processed through cold rolling or hot rolling. The product is available in different hardness levels, including soft, 1/4 hard, 1/2 hard, 3/4 hard, and full hard. Customers can choose the hardness level that suits their needs.

The product is available in different coil weights, and the weight can be customized according to customer requirements. The product is packed in standard export packing or as required. The product is available in different colors, and customers can choose the color that suits their needs. The product is also available in color-coated steel coil.

The delivery time for the Sheng Quan Stainless Steel Sheet Coil is between 5-15 days, and the payment terms are L/C, T/T, and Western Union. The product has a supply ability of 15000 tons.

In conclusion, the Sheng Quan Stainless Steel Sheet Coil is an excellent product that is perfect for a variety of application occasions and scenarios. The product's durability, strength, and versatility make it ideal for use in various industries. Whether you need 301 Stainless Steel Coil, Color Coated Steel Coil, or Cold Rolled Stainless Steel coil, the Sheng Quan Stainless Steel Sheet Coil has got you covered.

Customization:

Color Coated Steel Coil, 410 Stainless Steel Coil, and Hot Rolled Stainless Steel Coil are some of the options available for customization.

FAQ:

Q1: What is the brand name of the Stainless Steel Sheet Coil?

A1: The brand name of the Stainless Steel Sheet Coil is Sheng Quan.

Q2: What are the available models of the Stainless Steel Sheet Coil?

A2: The available models of the Stainless Steel Sheet Coil are 201/304/304L/316/316L/321/309/310.

Q3: Where is the Stainless Steel Sheet Coil manufactured?

A3: The Stainless Steel Sheet Coil is manufactured in China.

Q4: What is the minimum order quantity for the Stainless Steel Sheet Coil?

A4: The minimum order quantity for the Stainless Steel Sheet Coil is 1 ton.

Q5: What is the price range of the Stainless Steel Sheet Coil?

A5: The price range of the Stainless Steel Sheet Coil is USD1500-USD6000.

Q6: What is the certification for the Stainless Steel Sheet Coil?

A6: The Stainless Steel Sheet Coil is certified with ISO9001:2000.

Q7: What is the packaging details for the Stainless Steel Sheet Coil?

A7: The packaging details for the Stainless Steel Sheet Coil is Standard Export Sea-Worthy Packing.

Q8: What is the delivery time for the Stainless Steel Sheet Coil?

A8: The delivery time for the Stainless Steel Sheet Coil is 5-15 days.

Q9: What are the payment terms for the Stainless Steel Sheet Coil?

A9: The payment terms for the Stainless Steel Sheet Coil are L/C, T/T, Western Union.

Q10: What is the supply ability of the Stainless Steel Sheet Coil?

A10: The supply ability of the Stainless Steel Sheet Coil is 15000 tons.
